

T-REX

POST DRIVER

A convenient attachment for driving pipe and T-posts in all types of applications.

350E

Built with the same attention to quality as the other Montana Post Driver models. The T-Rex 350E outperforms other T-post drivers on the market. The Montana T-Rex Post Driver fills a role in our product line. Ideal for posts such as oil field pipe, T-posts, tent stakes, chain link posts and more. It can drive posts through moderate rocky soil.

Key Features:

- Energy class: 350 ft. lb.
- Oil Flow (GPM): 5-20 gpm
- Single Lubrication Point
- Unit Weight: 200 lbs.
- Working pressure: 1300-1500 psi
- Blow Rate (Blows per min.): 700-1200
- Driving Cup Diameter: 4 3/8" Inside Diameter
